BHOI COMMUNITY IN INDIA

SURESH APATE

Assistant Professor , D.K.Shinde School of Social Work ,
CSIBER,College,Kholapur.

Abstract:

Orissa area unit thought of as Schedule Tribes (ST), hence, they receive adequate edges / services of state, however in Maharashtra geographic region the Bhoi individuals are thought of as wandering Tribes (N. although Bhoi individuals area unit scattered in several regions of geographical area, M. In geographical area, the individuals from Bhoi Community area unit mostly palki -bearers. Consequently, Bhoi Community individuals were mortal affected as they weren't competent enough to be concerned in the other trade than fishing and its solely recently that's concerning 5 decades ago they need been concerned in creating net with facilitate of native traders. However, owing to advent of social structure the standing of Bhoi Community was derecognized because the kings of many places lost their power of administration. wherever the advantages and privileges area unit less compared to Schedule Tribes (S. However, the Bhoi Community's socio-economic standing is far below the thought of the society. As per as reservation policy of Central Government, there looks to be discrimination with relevancy edges and privileges to Bhoi individuals in geographical area. In geographical area. Bhoi Community has been known as Nomadic Tribe Vide Government Resolution No. CBC - 1973/10615/J ten dated twenty could 1974, as they migrate from place to put counting on the provision and quality of resources and family base occupation like fishing and creating fishing nets.

KEYWORD:

Schedule Tribes (ST), geographical area , socio-economic .

INTRODUCTION

Hence, the tribes that don't have a village of their origin, nor own agricultural lands or permanent homesteads however keep migrating from place to put in search of resource, ar educationally, economically and socially backward and exist on the outer boundary of the thought of the society, ar usually referred to as the 'nomadic tribes. Numerous tribes round the world wander from one place to different so as to satisfy their basic wants like food, wear and shelter, and ar usually referred to as 'Nomadic tribes. within the Indian landmass, the presence of oxen herders, hunters and food gatherers is noticed altogether the stages of evolution of human civilization. The term 'Nomad' has been derived from the first Greek word 'Nemo' that means "Animal husbandman" or "Cattle rearer.

The Parashars once more are known with varied skills like palkhi carrying, fishing, net weaving, letter bearing, and to some extent temporary farming and contract labourers. These skills have forced Bhois to maneuver from one place to a different in search of fishing trade for his or her survival. Mativiveka' associate degree ancient Indian scripture mentions that Bhoi were born from a Brahmin father and a Parashar mother.

Title :BHOI COMMUNITY IN INDIA
Source:Golden Research Thoughts [2231-5063] SURESH APATE yr:2013 vol:2 iss:10

The Maratha Bhois' population is concentrated in Kolhapur, Sangli, Satara, Solapur and Ratnagiri Districts. Bhois of Maharashtra are also known as 'Marathi Bhoi' and they are found in almost all the district of the state, particularly in Western Maharashtra. and Maharashtra In spite of their nomadic, the Bhois are fully involved in caste, culture, permissible alliances, social interactions, birth, nuptial and death rites and rituals, Jat Panchayat, clan and family functions. In each of these districts, they are engaged in diverse occupation suited to their local conditions. P. M.

BHOI Community are distributed in Madhya Pradesh, Orissa, Maharashtra, Rajasthan, Gujrat and Assam. In state they're notified as a regular caste, whereas in Assam they're enclosed among the regular tribes. Dhimar and Kahar square measure their synonyms. There square measure four subgroups among them, specifically MahaBhoi, Tanhara, Gumhara and Buna. Bhoi are delineated as those that carry litter or palanquins. Their ancient occupation is fishing and carrying water.

The six cleans known among them ar Chand Lavrenti Pavlovich Beria (silver coin), Medoya (sheep); Kachawai (tortoise), Singare (water-chestnut), Imalia (tamarind) and Sinduriya (vermillion) wedding at intervals identical. Window and feminine divorcees will hook up with. they're non-vegetarian; their staple cereal diet includes wheat, jowar and bajra. They speak Hindi and use the Nagari script. they're distributed within the districts of Bhopal, Raisen, Sehore, Rajgarh and Vidisha. In Madhya Pradesh, the Bhoi have just one endogamous cluster, Bethmua.

Based on their geographical distribution, they need been sorted underneath Indian, Khandesh, Karnataka, Karnataka, Kamara and Gujarat divisions.. Altogether there square measure 24 Bhoi teams in maharashtra geographical region of that twenty-one are Zinga Bhoi, Pardeshi Bhoi, Raj Bhoi, Katar Bhoi, Dhurla Katar, Kirat, Machwa, Manzi, Jattia, Nwawadi, gadhav, Khadi Bhoi, Khare Bhoi, Dherra, Bhoi Kahar, Machendra, Kawat, Dhiwar, Dhimar, Palewar, Malhar. they're distributed within the districts of Nasik, Dhulia, Jalgaon, Solapur, Ahmednagar, Pune, Kolhapur, Aurangabad and Ratnagiri of geographic area. The Bhoi speak Ahirani however square measure familiar with the Sanskritic language language too. The Nagari script is employed.

they're passionate about autochthonal liquor, that they purchase from the native tribals. The Nagari script is employed. they're non-vegetarian; maize (makki) and wheat (geho) are their staple cereals. Vagri is their tongue, however they're conjointly informed with the Marwari and Hindi languages. In Rajasthan, Bhoi trace their origin to the Rajput of Chittorgarh and square measure distributed in Dungarpur, Udaipur, Jaipur, Jodhpur, Chittorgarh, Bikaner, Pali.

In Daman and Diu, the Bhoi who call themselves Bhoiraja, think about themselves one in every of the mine endogamous divisions of the Gujarat Bhoi United Nations agency migrated from Lucknow to Gujrat then to Diu within the fifteenth century. They speak Gujarati and use the Gujarati script. they're non-vegetarian and their staple cereal is rice. Their main economic activity is fishing in ponds or rivers and marketing their catch within the native markets. {they square measure|they're} non-vegetarian and their staple cereals are wheat and rice. Gujarati is spoken and also the Gujarati script is employed. Bhoi (Kahar)

Bhoi square measure non-vegetarian and square measure keen on intake snails (genda). They speak Oriya, however a number of them square measure informed with Hindi conjointly. Rice and wheat square measure their staple cereals. The Bhoi, conjointly referred to as Baurior Basuri in Orissa, is distributed in numerous tahsils of Puri and Cuttack, Dhimar and Kahar square measure their synonyms.

every of the Bhoi teams maintains a standard caste council to resolve the law and order issues of the community. Bhoi have four teams supported their activity specialization, particularly Mahaoli, Tanhara, Gumhora and Buna, the cluster boundaries ar maintained through inmarriage. many of them ar in commission et al in rickshaw-pulling, husbandry, etc. historically, they were palanquin-bearers, however at the moment they work as labourers in agricultures, industries, plantations, etc. every of those teams successively has gotras; Bhoi ar landless. additionally to Tarini, their village spiritual bein. Bhoi profess Hinduism.

In some components of Khandesh the Bhois ar confused with Kahars, associate degree migrant caste of fishermen from Northern Asian nation. The term Bhoi, besides being the name of a caste, is additionally wont to denote a litter-bearer; and has consequently been confiscated by members of alternative castes following an equivalent occupation. Thus, there ar - Mahars WHO vogue themselves Bhois.

The origin of Bhois, the Jitiviveka calls Bhois Paushtikas, and says that they're sprung from a Brahman father and a Parasar mother; the Parisar, a Brahman and a Shudra mother. Their invariably dark complexion and also the survival of belief found amongst them purpose to their being one in all the aboriginal tribes of the Presidency. this means a reference to the Kunbi caste, not not like the relations existing between the Afardtha and Koli Kunbis. In Nasik they decision themselves Kunbis and a few Kunbis eat with them. within the Deccan the, Bhois disagree very little from the Indian Kunbis in appearance home food and drink. These totems area unit found principally among the Khandesh Bhois.

There also are a couple of immigrants United Nations agency follow the occupation of fishing and litter-bearing referred to as Pardeshi, Kichi, Tarkashi and Telangi Bhois. Bhois might broadly speaking be divided into 5 territorial teams. Bhois of Ratnagiri, familiar domestically as RajaBhois, the common totems or devaks square measure the mango, the kalamba the peacock's feather and also the axe.

The Maritha division has conjointly a bastard sub-caste referred to as Lenakavales with whom they eat however don't marry, in Nasik they're divided into people who 5 north and people who Eve south Saptashring hills, in Thana they're divided of the Chandor or into Khiri or salt water and Gode or water Bhois, UN agency neither eat along nor espouse, the Bhois of the Ratnagiri district square measure referred to as RijaBhois. they are doing not interline or espouse with the opposite Bhois, whom they distinguish by the designation of Macchindr or fish-catching Bhois. In Ahmednagar they're divided into Indian and os, UN agency neither eat along nor espouse. Kadus square measure bastards. The Indian Bhois of the Poona district, have 3 endogamous divisions, Proper, Varidhi and Kadu. they'll dine along however not espouse. they are doing not catch fish. The Varadhis salc and dry grain. they're solely palanquin-bearers.

Breaches of caste rules area unit condoned by caste feasts, and selections of the caste councils area unit implemented underneath pain of expulsion. Chavan, Jadav, Povjir and Sinde, area unit common among the Marathas. The caste councils area unit extremely revered and greatly feared. the subsequent area unit a number of the, commonest surnames:- 1. they need caste councils, and settle social disputes at conferences of the castemen. Sinde, 19. Ghatma, 5. Tilave Many of those surnames, e. Chavan, 3. There seem to be no exogamous sub-divisions of the caste, on top of families, members of that have an equivalent last name.

OCCUPATION OF BHOI COMMUNITY :

traditional occupations square measure fishing and carrying water, agriculture and agricultural labour square measure their primary occupations. They participate in competition education and solely many youngsters in Berasia village attend faculty. In Maharashtra, the Bhoi square measure for the most part palki-bearers. the most sacred centres of the Bhoi square measure Hoshangabad, Ujjain and Amarkantak. Their youngsters additionally work as labourers. Bhoi as a fishing and litter-bearing community UN agency inhabit Bombay and also the native princely states.

The eighteen surnames known among them square measure Sivada, Mora, Soja, Kanbla, Barakar, Narila, Tankana, Jawra, Barda, Lara, Dhangar, Khar, Kathada, Kargra, Ghang, Bhokra, Rajmani and Appe. They add temples and square measure so accorded a position in society. Bhoi square measure endogamous. Women square measure engaged in economic activities and play a crucial role in social functions, in the main on the occasions of birth and wedding, and luxuriate in equal standing with men. Bhoi area unit extremely skillful in weaving completely different varieties and sizes of fishing nets. There area unit pictures of Khandoba and few different gods and goddesses. they need names for the various varieties and sizes of the fishing nets they weave, specifically Kanadala, Gula, Bhusa, Botka, Saora, Jhelto and Mahajal. each house has AN altar to Manasamata, whom they consider their Kulaswamini.

Bhoi have eleven endogamous teams, particularly dominion Bhoi, Kahar Bhoi, Sakarvansi Bhoi, Kashi Republic of Mali Bhoi, Dinwar Bhoi, Machhi Bhoi, Kir Bhoi, Ir Bhoi, {mali|Mali|Republic of Republic of Mali|French Sudan|African country|African nation} Bhoi (Shiv Mali Bhoi), Singaria Bhoi and Kunjdo Bhoi every makes a speciality of the cultivation of specific vegetables, fruits and flowers. a definite hierarchy is maintained among these teams supported the economic pursuits.

Their subsidiary occupation is wage labour. thanks to inadequacy of land, the amount of wage labourers is on the rise. Some Bhoi teams grow water-chestnuts (singhara), water-melons (tarbuja), etc. Throughout the year they cultivate totally different seasonal vegetables. Their ancient moreover as main occupation is cultivation. Land, that is on an individual basis owned, is that the primary economic resource of the Bhoi.

The Bhoi have maintained their ancient linkages with the Koli community at the economic level, for the Koli accustomed use them as fishing labour. Special people songs area unit sung by their ladies throughout the worship of the village and got deities. The Brahman act as their sacred specialists the Bhoi area unit extremely accomplished during a distinctive kind of floor-painting (satiya) that has made inventive components reflective their culture. Service, carpentry, merchandising paan, running petty businesses and labour area unit the opposite means that of sustenance. Nowadays, their primary occupation is merchandising vegetables and fish. Harshidhi Mata is their village god. The traditional occupation of the Bhoi in Daman and Diu is litter-carrying and growing water-chestnuts.
