## BUILDING CAREER THROUGH NATIONAL CADET CORPS (NCC)

Satpal Kaur

### INTRODUCTION

The National Cadet Corps (NCC) is a Tri-Services Organisation comprising the Army, Navy and Air Force, engaged in grooming the youth, 'The Leaders of Tomorrow' into disciplined and patriotic citizens. It is the largest voluntary uniformed youth organization in the world which enrolls cadets from high schools, colleges and Universities all over India in which the Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps. The genesis of the NCC can be traced back to the First World War when the Britishers

### Abstract

*The National Cadet Corps (NCC) came into existence in 1948 by an Act of Parliament, as a result of the recommendations of the Pandit H. N. Kunzru Committee. The NCC has a four tier administration. The Directorate General NCC is at New Delhi, directly administered through the Ministry of Defense. NCC is a voluntary organisation having three Divisions viz. the Senior Division, Junior Division and the Girls' Division. Since the organisational structure of NCC is closely associated with the educational system of our country, the backbone of the organisation are young men and women of schools & colleges and Associate NCC Officers (ANO) who are on the teaching roll in schools and colleges. Belonging to, or concerning, a regiment; as, regimental officers by wearing uniform, perform in the line of Army, we as an NCC Officer can play key role to spread awareness regarding self, social problems, health, hygiene, sanitation and clean drinking water in urban and rural area with the help of NCC cadets and they carry the message and spread awareness among their pool of society at the same time we ANO's must make students aware to build their career through NCC.*

### SHORT PROFILE

Satpal Kaur is working as an Assistant Professor at SKR College of Physical Education in Bhagoo Majra, Kharar, SAS Nagar.

created the University Corps as the second line of defense and to have a large pool of trained youth available for employment into the Armed Forces. After independence the present day NCC under the Ministry of Defense came into existence on 16 Apr 1948 through NCC act XXXI, 1948. NCC was formally inaugurated on 15 Jul 1948 as soon as the schools and colleges reopened after summer vacation. The Girls Division of the NCC was started in Jul 1949. In 1950 Air Wing was added on 01 Apr with one Air squadron each at Bombay and Kolkata. The Naval Wing of the NCC was raised in Jul 1952, thus completing the true representation of all services in the Corps. Presently, NCC has approximately 13

Assistant Professor, SKR College of Physical Education, Bhagoo Majra, Kharar, SAS Nagar.

Lakhs Cadets under its fold.

History shows that over the years the NCC has groomed many a youth into leaders of repute and eminence in all fields of life, whose deeds are worth emulating. The pioneers being Netaji Subash Chandra Bose, Air Marshal Subroto Mukherji, former Chief of the Air Staff; General T N Raina, former Chief of the Army Staff; Marshal of the Air Force Arjan Singh, Sahara Shri Subroto Roy, Jaya Bachchan and many more.

The literature suggests that besides inculcating the spirit of unity and discipline amongst young cadets, the NCC through its multifarious innovative training curriculum during various camps inculcates the traits and qualities of resourcefulness, positive thinking, moral courage and humaneness. It has groomed many a youth into leaders of repute and eminence, whose deeds are a source of inspiration for one and all.

However, it is observed that the students at schools and college level mostly join NCC because of their fascination for the uniform without knowing the opportunities available for building a career through NCC. Hence, the present paper makes an attempt to explore the probable options of building a career through NCC.

### METHOD

Keeping in view the nature of the study, the literature was collected from the secondary sources including websites of NCC and Indian Army, NCC handbooks and magazines etc. The information was also collected through verbal discussions with the concerned NCC.

### ANALYSIS

The collected information has been critically examined, discussed and presented to provide information on the options available for building career through NCC.

### RESULTS

NCC instills qualities like unity, patriotism,

discipline, team spirit, esprit-de-corps, leadership, self-confidence and promotes overall personality development through its training. It gives a tremendous opportunity to all for betterment, irrespective of caste, creed, religion, or economic status. The training activities of NCC can be broadly classified as under :

#### 1. Institutional Training Camps and Attachment Training :

This training is mostly carried out in schools and colleges by the cadets. In addition, depending upon the type of wing, basic knowledge of that Service is imparted to the cadets e.g. gliding and power flying for Air wing cadets and boat pulling and sailing for Naval Wing cadets.

**2. Camp Training :** Camp training constitutes the most important part of NCC training. Every cadet in the NCC is expected to attend at least two camps during one's tenure to complete the Training Syllabi.

**a. Annual Training Camp (ATC):** These camps are held within the state under the aegis of respective NCC Directorates. The camps are of 10 days duration for senior division boys/ girls and junior division boys/ girls.

**b. Centrally Organised Camps (COC) :** These camps are of an all India nature and are planned by HQ DGNCC in consultation with the Directorates nominated to conduct them. Selected cadets, as per the vacancies allotted to each Directorate, participate in these camps. The centrally organized camps are : Leadership Camps (Basic and Advance); Thal Sainik Camps (TSC); Vayu Sainik Camp (VSC); Nau Sainik Camps (NSC); Rock Climbing Camps; National Integration Camps (NIC); Republic Day Camp (RDC) and Prime Minister's (PM's) Rally.

**3. Attachment Training (Services/ Units) :** NCC Army Wing cadets are given an opportunity to live and work in regular Service units in the form of attachment training. Every year a large number of officers and cadets including women officers and Senior Wing girl cadets get attached

to various units of the Army for duration of two weeks. The attachment can be with Indian Military Academy (IMA) and/or Officers Training Academy (OTA).

**4. Naval Wing Activities :** During sea training, naval subjects like Seamanship, Navigation, Communication, Ship Modelling, Gunnery, Damage Control, and Ship Safety are taught to cadets. Swimming, Scuba Diving, Kayaking and Wind Surfing are other interesting activities.

**5. Air Wing Activities :** Gliding, Micro-lite Flying, Aero-modeling and attachment training with Air Force Stations/ Establishments are the main activities taught to NCC cadets.

**6. Social Service and Community Development Activities :** NCC has adopted community development activities with the aim of imbibing in NCC cadets, quality of selfless service to the community, dignity of labour, importance of self help, need to protect the environment and to assist weaker sections of society in their upliftment. Some of the major activities undertaken by these cadets are tree plantation, blood donation, visit to old age homes, adult education, “shramdaan”, disaster relief, AIDS and cancer awareness programmes etc.

**7. Youth Exchange Programme (YEP) :** The aim of YEP is a country-to-country exchange of cadets belonging to NCC/equivalent Govt. Youth Organisations of friendly countries and participation in NCC activities of the host country to create an increased awareness among participants and appreciation of each other's socio-economic and cultural activities.

**8. Adventure Training and Sports :** NCC takes part in Subroto Cup Football Tournament, Jawahar Lal Nehru Hockey Cup Tournament and Mavlankar Shooting Championship on regular basis. Other than this, NCC cadets are given a chance to participate in adventure activities like Mountaineering, Trekking and Cycle/ Motorcycle expeditions, Para Sailing, Para trooping Courses, Slithering, Desert Safaris and White water Rafting.

The career options through NCC are listed

below :

#### **Career within NCC :**

The NCC has been organized into three wings i.e. Army, Navy and Air Force, and hence, is staffed by personnel drawn from three Services in the following manner :

**1. Regular officers drawn from the three Services :** The NCC Directorates are headed by Service Officers of the rank of Brigadier and equivalent, Group Headquarters are headed by Service Officers of the rank of Colonel and equivalent and Units are headed by Service Officers of the rank of Colonel (TS)/ Lieutenant Colonel/ Major and equivalent. They are responsible for proper training, planning and execution of NCC activities.

**2. Whole Time Lady Officers (WLTO) :** WLTOs are to be commissioned partly through departmental channel and partly through UPSC in a phased manner.

**3. Associate NCC Officers (ANO) :** ANOs are the teachers or lecturers in the respective schools or colleges, who volunteer to serve in the NCC. They are responsible for training and administration of the NCC sub-units attached to their schools/ colleges and for the overall discipline of cadets placed under their charge. They are paid an honorarium for their service by the State Government. They are granted commission in NCC on a part time basis.

**4. Girl Cadet Instructors (GCI) :** GCIs look after the administration in the Girl's battalions and also perform escort duties for Girl Cadets during camps and adventure activities. In order to give them better promotional avenues, the cadre has been restructured into three grades viz. Grade-I, II and III.

**5. Permanent Instructional (PI) Staff :** PI staff for the NCC consists of Junior Commissioned Officers (JCOs) and Non-commissioned Officers (NCOs) of the Armed Forces are posted on tenure basis on Extra Regimental Employment.

**6. Civilian Gliding Instructors (CGI) :** GCIs are

posted to NCC Air Wing Squadrons. Their primary task is to train the NCC cadets in flying.

### **Career in Defense Services**

#### **ARMY**

1. National Cadet Corps 'C' Certificate holders will be required to compete in UPSC Examination for grant of commission in the Army through IMA and OTS. However, 32 vacancies in every regular course of IMA are reserved for National Cadet Corps 'C' Certificate holders who have passed UPSC entrance examination and have also been declared successful by the Service Selection Board.

2. The point to note is that from amongst the National Cadet Corps Cadets who have passed UPSC Examination and the SSB, 32 cadets will be selected to undergo training at the IMA irrespective of the position in the general merit list, i.e. 64 vacancies in a year.

3. NCC 'C' Certificate holders with minimum 'B' Grade are exempted from appearing in Written Examination conducted by UPSC for SSC (Non-Tech) Course of OTA Madras through NCC Special Entry Scheme. There are 50 vacancies reserved for one course. Total vacancies are 100 per year.

## **CONCLUSION**

The youth of Independent India are extremely fortunate to have such an organization existing in the country which devotes vast amount of financial and physical resources towards their personality development, and thus is indeed a nursery for grooming of future leaders in various walks of life. Hence, it is imperative that the today's youth be made aware about these opportunities available to them in order to help them to explore the options and make the correct career decision.

The options for career development through NCC can be summarized as :

- Relaxation for Employment in Armed Forces
- Relaxation for Employment in Para Military Forces
- Employment within NCC
- Relaxation for Employment in State Government services

In addition, the teachers of various schools and colleges can also have the opportunities to be associated with any of the three wings - army, navy and air of NCC and guide cadets.
