ABSTRACT:

This paper analyses the changing patterns of Indo-France relations and traces issues of conflict and cooperation, and continuity and change between the two countries. It argues that although France's traditional-cultural relations with pre-independent India had been good, diplomatic and political relations during the entire Cold War period were far from being friendly.

Abstract Report: The Title Accurately Said The Study was About.

INTRODUCTION:

India and France have come a long way and their cooperation and coordination in the fields of economy, science and technology including nuclear power, defence, culture and other spheres must be seen within the context of their common quest for achieve a just and viable multipolar world order. Indo-French cooperation in the defence field has a long history.

Introduction Report: This Article Include Full Introduction, Methods, Results & Introduction Section.

METHODS & MATERIALS:

Must add Materials and methode in your article.

Methods & Materials Report: Methods & Materials Report are blank.

RESULT:

Must add Materials and methode in your article.

Result Report: Results report is blank.

CONCLUSION:

India and France have come a long way and their cooperation and coordination in the fields of economy, science and technology including nuclear power, defence, culture and other spheres must be seen within the context of their common quest for achieve a just and viable multipolar world order. Indo-French cooperation in the defence field has a long history. The French help in the sphere of the Indian defence preparedness is note worthy.

Discussion Report: The Text is Rounded off with a Conclusion that Discusses the Implication of The Findings & Ideas Discussed & Their Impact on Future Research Direction.
