## ABSTRACT:

The Self Help Group and its Bank linkage programme has assumed a pivotal role in the process of empowerment of women both socially and economically. At the same time various researchers and authors have glorified the SHG movement as the ultimate path for empowerment of women.

**Abstract Report:** The Title Accurately Said The Study was About.

## INTRODUCTION:

The “defining event” in the building of a financial architecture in India was the nationalisation of the commercial banks. Significant progress was made in terms of coverage of the rural population by formal credit institutions with nearly 70% of all commercial bank branches and approximately 100000 co-operative outlets at present operating in rural India.

**Introduction Report:** This Article Include Full Introduction, Methods, Results & Introduction Section.

## METHODS & MATERIALS:

The study is confined to two blocks of the district of Ranchi among 18 blocks. These blocks are namely : Block Chanho and Block Ratu. The population of Chanho block is 1.07 lacs with 18989 households. Similarly, the population of Ratu block is 0.76 lacs comprising of 14454 households.

**Methods & Materials Report:** Tables/Boxes/Diagram & Images are Used to Explain Specific Points or Background Information. Figures That The Plotted Parameters are Clearly Mentioned.

## RESULT:

It is generally believed that that the success of any SHG programme is best measured by its continued growth and its ability to keep clients and also the latter's ability to repay their loan. (Titmus,1962).

**Result Report:** Figures are Imported to Provide Explanation for Background Information. Conclusion of This Paper Clearly Supported Results.

## CONCLUSION:

Self help groups are definitely complimentary to the Governments role in the area of empowerment of women. However, it all depends on the demanding reasons for the formation of such groups. In the absence of homogeneity of cause, status, income level and aspirations such groups may not add anything to the society.

**Conclusion Report:** The Text is Rounded off with a Conclusion that Discusses the Implication of The Findings & Ideas Discussed & Their Impact on Future Research Direction.
