ABSTRACT:

"A lamp can never light another lamp unless it continues to burn its own flame. A teacher can never truly teach unless he is still learning himself. The teacher who has come to the end of his subject, who has no living traffic with his knowledge, but merely repeats his lessons to his students, can only load their minds.

Abstract Report: The Title Accurately Said The Study was About.

INTRODUCTION:

No one is perfect. If a person thinks that he/she is the best in a certain profession, this person is not capable of growing any further. A sense of being on the top can make an individual forget about constant changes that happen around. Every day brings some new methods, techniques, devices, innovations.

Introduction Report: This Article Include Full Introduction, Methods, Results & Introduction Section.

METHODS & MATERIALS:

Descriptive survey method was conducted to know the perceptions of teachers of university and colleges about the professional growth. The sample of the study included 30 college teachers and 35 university teachers who have teaching experience of 8-10 years.

Methods & Materials Report: Tables/Boxes/Diagram & Images are Used to Explain Specific Points or Background Information. Figures That The Plotted Parameters are Clearly Mentioned.

RESULT:

The results of the survey depicted that teachers put all their efforts to reach at the highest place in their hierarchical structure of the organization.

Result Report: Figures are Imported to Provide Explanation for Background Information. Conclusion of This Paper Clearly Supported Results.

CONCLUSION:

Must add conclusion in your article.

Conclusion Report: Thus, the research have wider scope for new academician and research scholars.
