ABSTRACT:

Self help group women started from a very small base and have expanded their domain to foreign land as well as these women SHG entrepreneurs earning profit and accomplish goals but at the same time they also treat themselves or their organization of the society or to bring about a social change one of the powerful approaches to the Self Help Group.

Abstract Report: The Title Accurately Said The Study was About.

INTRODUCTION:

Due to urbanization and more industrialization, women are acquiring more education and are equally competing with their male counterpart in every domain. Their equally participates to the economic development, whether it is organized sectors, unorganized sectors, being self-employed or an entrepreneur. Women’s participation in the productive activities has been increasing from the years.

Introduction Report: This Article Include Full Introduction, Methods, Results & Introduction Section.

METHODS & MATERIALS:

The secondary data collected from journals, and articles, Jstor, google scholar, magazines, as well as the study involved an extensive literature review which critically analyzed, for the study.

Methods & Materials Report: Tables/Boxes/Diagram & Images are Used to Explain Specific Points or Background Information. Figures That The Plotted Parameters are Clearly Mentioned.

RESULT:

Must add result in your article.

Result Report: Results are as per aims and objective and useful to further research .

CONCLUSION:

Women entrepreneurs gain economic strength, they gain visibility and a voice at home, workplace and community. This has impact on their social status in terms of increase in their literacy, education of their children and family well being. Therefore, empowerment of women has a rich payoff in economic development and democratic goals of the society and SHG women entrepreneurs seem to be the most possible option for empowering the poor women.

Conclusion Report: The Text is Rounded off with a Conclusion that Discusses the Implication of The Findings & Ideas Discussed & Their Impact on Future Research Direction.
