ABSTRACT:

This paper aims at investigating the challenges preventing female chefs from reaching the top positions in the kitchen of a hotel and identifying measures in overcoming them. In recent years, the increased number of women in the hospitality industry and their underrepresentation in top positions has made women's status in the industry a great concern.

Abstract Report: The Title Accurately Said The Study was About.

INTRODUCTION:

Today, India is a force in the global economy, with a high demand for talent and the key source being educated Indian women. The hospitality industry is experiencing tremendous growth in India and increasing opportunities await women to grow and succeed. Though the industry has tremendous scope for women, this talent pool has not been fully exploited.

Introduction Report: This Article Include Full Introduction, Methods, Results & Introduction Section.

METHODS & MATERIALS:

Female managers argued that, in comparison with their male counterparts, they did not receive equal support from their mentors. Furthermore they considered mentor support as one of the challenges that they confronted in their career advancements. It is evident that limited opportunities in the hospitality industry is offered to females.

Methods & Materials Report: Tables/Boxes/Diagram & Images are Used to Explain Specific Points or Background Information. Figures That The Plotted Parameters are Clearly Mentioned.

RESULT:

Must add result in your article.

Result Report: Results are as per aims and objective and useful to further research .

CONCLUSION:

There is tremendous upward shift in the level of motivation of the current generation girls as compared to the older generation. The current generation of female workers are smarter ,mentally robust and possess a strong will to succeed and rise up the ladder.

Conclusion Report: The Text is Rounded off with a Conclusion that Discusses the Implication of The Findings & Ideas Discussed & Their Impact on Future Research Direction.
