## ABSTRACT

The Koch Rajbanshi community has been striving for safeguarding their identity for quite sometime. It has evolved a lot over time. Their effort has taken the shape of the Kshatriya Movement and the Kamatapur Movement. At present they are trying to voice their demand through the Kamatapur Movement which is spearheaded by different associations and organizations.

## Introduction

Social entities have time and again tried to seek their identity either by relating to their glorious past or by demonstrating their present status that has not been recognized by others. People are conscious about their identity and they are also sensitive about it. People fight, confront or even negotiate and re – negotiate concerning their identity.

## REVIEWER COMMENTS

This was a superb give an account of extremely intensive examination. The writing audit was careful, the approach was carefully exhaustive and fused the utilization of sufficient quantities of tests in dust size examination and blast tests.
I discover no shortcoming at all with the routines, information examination, or conclusions.
The work, as with all work advancing from this specific gathering, is
