#### ABSTRACT

The Preamble of an Act sets out the main objectives which the legislation is intended to achieve. It is a sort of introduction to the statute and may times very helpful to understand the policy and legislative intent. The Constitution makers gave to the Preamble "the place of pride." In re Berubari Case,<sup>1</sup> the Supreme Court has said that the Preamble to the Constitution is a key to open the mind of the makers, and shows the general purpose for which they made the several provisions in the Constitution.

### REVIEWER COMMENTS

- My remarks here are concerned singularly with the association of the composition.
- Thought of these focuses will, I accept, lead to an enhanced report that better shows the key ideas and conclusions.
- Generally, this is a reasonable, brief, and elegantly composed original copy.
- The presentation is pertinent and hypothesis based.
