ABSTRACT

Rights are those conditions of life without which no man can seek to be himself at his best. Indian citizens enjoy a wide variety of rights comprising fundamental constitutional, legal rights etc. Fundamental Rights embodied in part III of the constitution, guarantee to each citizen, and basic substantive and procedural protection against the state. But these rights remains on only the paperwork, it is not true that all rights given to the elders as well as children. Many issues related to the protection of all rights.

Introduction

There is a dismal accurate data on the extent of child labour in India. Census 2011 put it at 4.3 million; UNICEF's figure for the same period was 28 million, while the international labour Organisation came up with 40 million.

A Good Introduction :-

Depict the significance (importance) of the study - why was this value doing in any case? Give a wide connection. Extremely briefly depict the exploratory configuration and how it achieved the expressed destinations.

Materials

For this paper primary sources which are related with observation, investigation and field survey has undertaken. Also secondary sources are taken by implementing published and unpublished material which is done by NGO and private agencies reports were used for this contents analysis.

A Good Materials :-

Materials may be accounted for in a different passage or else they may be distinguished alongside your systems. In biosciences we habitually work with arrangements - allude to them by name and portray totally, including convergances of all reagents, and pH of watery arrangements, dissolvable if non-fluid.

Result

Must add result in your article.

A Good Result :-

Results are as per aims and objective and useful to further research .

Conclusion

- i) For the eradication of child labour, it is necessary to create awareness to extend policies, Action plans in proper way and suitable management for reaching benefits to the proper person.
- ii) Participation of Non Government Organizations and social organizations should play proper role in this direction which is very essential.
- iii) Eradication of poverty is very essential fact for the eradication of child labour.

A Good Conclusion :-

You may propose future headings, for example, how the analysis may be adjusted to achieve an alternate target. Clarify the majority of your perceptions however much as could be expected, concentrating on systems.

REVIEWER COMMENTS

- My remarks here are concerned singularly with the association of the composition.
- Thought of these focuses will, I accept, lead to an enhanced report that better shows the key ideas and conclusions.
- Generally, this is a reasonable, brief, and elegantly composed original copy.
- The presentation is pertinent and hypothesis based.
