ABSTRACT

According to the Encyclopedia Americana(1974:12), translation ‘is as old as written language’. Literary historians say that, the art of translating has been there in practice from 3000 B.C. The art of translation has such a long history. Unfortunately, there is no well defined and authentic strategy for translating a text from one language to another. It remains a mystery. This mystic nature of translation, kindle the researchers, linguists and translator to extend their research in translation.

REVIEWER COMMENTS

- This was a superb give an account of extremely intensive examination.
- The writing audit was careful, the approach was carefully exhaustive and fused the utilization of sufficient quantities of tests in dust size examination and blast tests.
- I discover no shortcoming at all with the routines, information examination, or conclusions.
