K. Bhaskaru

#### ABSTRACT

Industrial sector is a pressing need of developing countries like India. Because of scarcity of capital, underutilization of natural resources, population explosion, under developed infrastructural facilities, low level of technology, political instability, excessive dependence on agriculture, excessive dependence on imports and social attitude the growth is very slow. An effective development policy is to be farmed to attempt to increase the use of labour, relative to capital to the extent that it is economically efficient.

### REVIEWER COMMENTS

- This was a superb give an account of extremely intensive examination.
- The writing audit was careful, the approach was carefully exhaustive and fused the utilization of sufficient quantities of tests in dust size examination and blast tests.
- I discover no shortcoming at all with the routines, information examination, or conclusions.
- The work, as with all work advancing from this specific gathering, is
