### ABSTRACT

A field experiment was carried out at the Research Farm, Department of Agronomy, College of Agriculture, RVSKVV, Gwalior (M.P.) during kharif 2013. Treatment Two hand weedings at 20 and 40 DAS recorded significantly lowest weed density, followed by PoE application of treatment Propaquizafop 10% EC @ 100 g a.i./ha PoE but caused chlorosis in the sesame crop thus bad effect on yield parameters.

Designation:-**Department Of Agronomy,RVSKW, College Of  
Agriculture Gwalior (M.P) India.**

### **Review of the Article:**

The present study focuses on Effect Of Post-emergence Herbicides On Species- Wise Weed Density And Yield In Sesame [sesamum Indicum(l.)] The introduction builds a logical case and context for the problem statement. The problem statement is clear and well articulated.

### **Problem Statement, Conceptual Framework, and Research Question:**

The conceptual framework is explicit and justified. The research question is clear, concise, and complete. The variables being investigated are clearly identified and presented.

### **Abstract:**

The abstract is complete, essential details are presented. The results in the abstract are presented in sufficient and specific detail. The conclusions in the abstract are justified by the information in the abstract and the text. There are no inconsistencies in detail between the abstract and the text.

### **Reference to the Literature and Documentation:**

**The literature review is quite insufficient. The number of references should be appropriate and their selection must be judicious. The review of the literature should be well integrated.**

### **Instrumentation, Data Collection:**

The measurement instrument is appropriate given the study's variables; the scoring method is clearly defined. The data set is sufficiently described.

### **Data Analysis and Statistics:**

Data analysis procedures are sufficiently described, and are sufficiently detailed. Statistical tests are appropriate.

### **Presentation and Documentation:**

The text is well written and easy to follow. The vocabulary is appropriate. **The content is not sufficient and complete. Some More data supportive for the study should be added.**

### **Scientific Conduct:**

There are no instances of plagiarism. Ideas and materials of others are correctly attributed. There is no apparent conflict of interest.

### **Relevance:**

The study is relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study is worth doing.

**SUMMARY OF ARTICLE**

No.		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas	✓				
4.	Timelines		✓			
5.	Sufficient information to support the assertions made & conclusion drawn			✓		
6.	Quality of writing (Organization, Clarity, Accuracy Grammer)		✓			
7.	References & Citation (Up-to-date, Appropriate Sufficient)		✓			

**FUTURE RESEARCH SCOPE:**

1. Effect of biological stimulants on establishment and early growth of pasture and cereal crops.
2. Novel Endophytes in ryegrass: an important symbiotic relationship critical for production and persistence or just good marketing.
3. Improving seed yield of Lotus and Dorycnium species.
4. Optimizing cropping practices for mixed farm cropping.
5. Use of new fertilizers formulations on early establishment of poppies.

**HOW TO INCREASE API**

**Services for Associate Professor to Professor**

Thesis convert into book.Publish in USA .....	50 API Marks
15 Articles from your Ph.D thesis .....	150 API Marks
UGC Minor Research Project .....	10 API Marks
UGC Major Research Project .....	15 API Marks
Call for Book Chapter .....	25 API Marks
5 Seminar Paper presentation (we organize) .....	50 API Marks

## CERTIFICATE OF PUBLICATION

This is to certify our Editorial, Advisory and Review Board accepted research paper of **Sourav Gupta** Topic:- **Effect Of Post-emergence Herbicides On Species-Wise Weed Density And Yield In Sesame [sesamum Indicum(I.)]**  
College:-**Department Of Agronomy,RVSKW, College Of Agriculture Gwalior (M.P) India**. The research paper is Original & Innovation it is done Double Blind Peer Reviewed. Your article is published in the month of **June** Year 2015.
