C. BharathaJyothi

ABSTRACT

Indian small scale industries play an imperative role in the economic expansion of the country and have vast approaching for employment generation. The Government has initiated several policies for the growth and development of small scale industries. The ministry of Agro and Land Rural industries and Ministry of SSI have been merged into a single, Ministry namely, Ministry of Micro, Small and Medium Enterprises (MSMEs). In the present study an attempt has been made to analyze the impact of globalization on the development of MSMEs.

Review of the Article:

The present study focuses on Impact Of New Industrial Policy On Micro, Small And Medium Enterprises (msmes) In India .The introduction builds a logical case and context for the problem statement. The problem statement is clear and well articulated.

Abstract:

The abstract is complete, essential details are presented. The results in the abstract are presented in sufficient and specific detail. The conclusions in the abstract are justified by the information in the abstract and the text. There are no inconsistencies in detail between the abstract and the text.

Reference to the Literature and Documentation:

The literature review is up-to-date. The number of references are appropriate and their selection is judicious. The review of the literature is well integrated.

Relevance:

The study is relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study is worth doing.

Instrumentation, Data Collection:

The development and content of the instrument are sufficiently described or referenced, and are sufficiently detailed to permit the study to be replicated. The data set is sufficiently described or referenced.

Data Analysis and Statistics:

Data analysis procedures are sufficiently described, and are sufficiently detailed.

Presentation and Documentation:

The text is well written and easy to follow. The vocabulary is appropriate. The content is complete and fully congruent. The amount of data presented is sufficient and appropriate. Tables, graphs, or figures are used judiciously and agree with the text.

Scientific Conduct:

There are no instances of plagiarism. Ideas and materials of others are correctly attributed.

Overall the study is relevant to the mission of the journal or its audience.

SUMMARY OF ARTICLE

No.		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas	✓				
4.	Timelines		✓			
5.	Sufficient information to support the assertions made & conclusion drawn	✓				
6.	Quality of writing (Organization, Clarity, Accuracy Grammer)			✓		
7.	References & Citation (Up-to-date, Appropriate Sufficient)		✓			

FUTURE RESEARCH SCOPE:

1. Financial incentives and agency problems; corporate governance and executive compensation.
2. Time and price allocation of merit goods.
3. International economics applied econometrics.
4. Decision theory and health economics.
5. The impact of population ageing on the health system and the usefulness of self-assessed health.
