REVIEW OF THE ARTICLE

Has A Poverty Alleviation Program Successful In Maharashtra? A Study Of Thane1 District

Dr. Gaikar Vilas B.

ABSTRACT:

The TITLE matches with the contents of the paper The present research paper is one of the most debated topics in the World i.e. poverty. The whole World has been facing the problem of poverty weather it is absolute or relative. Poverty is determined on the basis of Kilo calorie intake as well as income of the family. Many of the IndianEconomist like DadabhaiNaoroji, V.M. Dandekar, Dr.AmartyaSen, B.S. Minhas, P.D. Ojha, NilkanthRath etc. have defined poverty on the basis of various criteria.

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation Poverty is one of the curses for all economies since long back and still it has been there. However, many remedies taken especially government measures but then also it has survived. Generally, if a person is unable to satisfy his\ her necessities then it is said that he\she is in poverty. Many economists have defined poverty or poverty line based on per capita income (PCI) as well as standard of living (SOL) and nutritious intake. A prominent Indian Economist DadabhaiNaoroji wrote a book on Poverty named "Poverty and Un-British Rule in India" in 1876, in which he described about poverty situation in India

METHODOLOGY:

The present study was exclusively realized on secondary data sources. It was purely descriptive type of research since it describes the facts relating to the problem. Due to illiteracy and unemployment, poverty is mostly available in Maharashtra state. BPL families in Maharashtra (i.e. Thane district)are socially and economically exploited.

PRESENTATION OF RESULTS:

Must add result in your article.

A Good Result: -

Results are as per aims and objective and useful to further research.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The study was relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study was worth doing.

FUTURE RESEARCH SCOPE:
