## REVIEW OF THE ARTICLE

### **Historical Perspectives Of Women Education And Empowerment In Tamilnadu**

Dr. T. Asokan<sup>1</sup> and Mrs. R. Kavitha<sup>2</sup>

#### **ABSTRACT:**

The problem statement was clear and well articulated From Independence and over a century of striving for a better status of women, India has developed several initiatives for guaranteeing education, because education was recognized as one of the important inputs for the development of women, national integration and social changes. Education is a main instrument for transforming any changes in society. Right from independence, it is perceived as an important agent of nations' development as well as women's development.

#### **INTRODUCTION:**

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation Development of a country becomes absolute only when the whole population is developed. To bring equal development both central and state government have implementing various schemes from time to time. TamilNadu is a leading state in India. It has its own culture. In Ancient period they lived the life of celibacy, along with men. But later on they lost their importance and they started to depend upon men.

#### **METHODOLOGY:**

This study was conceptual in nature. Author described a variable under study in detail. The study requires primary data for its analysis. They are collected from Government orders, Statements and Reports. The Secondary data are collected from journals, online sources and Magazines. The Researcher used Simple Percentage as Statistical tool and TamilNadu as the research area.

#### **PRESENTATION OF RESULTS:**

The amount of data presented was sufficient and appropriate. Tables, graphs, or figures were used judiciously and agree with the text Education forms a major role in empowering women. It makes aware of their rights and social ambience. Not only this study proves that education is a must to encourage respective of women I society but also to social changes and government programmes as well. However much importance to higher education is necessary.

#### **REFERENCES:**

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

#### **RELEVANCE:**

The paper is properly organized and demands appreciation. I think the paper will satisfy the interest of the readers.
