REVIEW OF THE ARTICLE

A Study Of Financial Problems Of Retail Vegetable Sellers Of Solapur City Of Maharashtra State

Dr. S. V. Shinde¹ and Mr. K. R. Rangdal²

ABSTRACT:

The problem statement was clear and well articulated Vegetable is essential element for human being and to complete this need of citizens of Solapur many retail vegetarian sellers are performing vital role. Solapur city was the industrialist city since before independence. After independence many things of Solapur has changed and retail vegetarian sellers are one of them. Vegetable is one of the important things in daily life of human being

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation The population of the city is above ten lacks. In Solapur city there are popular vegetable markets namely Laxmi Market, Kasturba Market, Super Market, Ghongade Wasti Market, Station Market etc. In the middle years due to closure of cloth factories of Solapur city many workers selected other small scale business to run their family, retail vegetable selling is one of the major businesses which the workers are doing. While doing this small scale business which financial problems are being faced by the retail vegetable sellers?

METHODOLOGY:

This study was conceptual in nature. Author described a variable under study in detail. For collection of data the following methods are being used: Questionnaire Method, Interview Method and Observation Method

PRESENTATION OF RESULTS:

The amount of data presented was sufficient and appropriate. Tables, graphs, or figures were used judiciously and agree with the text Many vegetable sellers are not educated. Many vegetable sellers are from 40 years to 50 years category of age group. Male sellers are more than female. At many times sellers are purchasing vegetable on credit basis, they do not prefer to buy vegetable on cash basis.
