ARTICLE REVIEW REPORT

Female Foeticide-a Social Evil With Special Reference To Socio-legal Aspect In India

Dr. V. G. Shinde

ABSTRACT:

The problem statement was clear and well articulated In ancient period Indian Scriptures mentioned that, 'where women are worshiped god resides at that place'. Women who constitute half of the population have been discriminated, harassed and exploited irrespective of the country to which they belong unmindful of the religion which they profess. Everywherewomen are confronted with many challenges. Female foeticide is one of the worst forms of violence against women where women are denied her fundamental right1 .

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation Female foeticide is emerged as serious issue in modern India. It is threat for gender ratio in most of the states in India. The most affected areas are mainly the state of Punjab, Haryana and Gujarat, Delhi and Maharashtra states. Girls are treated as burden on family and other social discrimination lead to female foeticide in India.

METHODOLOGY:

Author has not mentioned any specific methodology. This study was descriptive in nature. Must add methodology in your article. Methodology used to per research topic.

PRESENTATION OF RESULTS:

The amount of data presented was sufficient and appropriate. Tables, graphs, or figures were used judiciously and agree with the text Indian society female foeticide is an inhuman, social evil and barbaric practice. Declining sex ratio and imbalance in population are the effects of it. Law prohibits Foeticideas a result of sex selection. In order to protect mother from grave injury or on the ground of genetic or other disorder of fetus law allows abortion, but it is regulated. Number of females has increased since last decades but the results are not satisfactory.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The study was relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study was worth doing.

FUTURE RESEARCH SCOPE:

1. Career For Faculty (<http://academicprofile.org/Professor/CareerForFaculty.aspx>)
2. Academic Plan (<http://academicprofile.org/Professor/AcademicPlan.aspx>)
3. Regarding Professor Promotion (<http://academicprofile.org/Professor/regardingPromotion.aspx>)
4. Fellowship for Post Doctoral (<http://academicprofile.org/Professor/FellowshipForPD.aspx>)
5. Online Course on Research (<http://onlineresearch.in/Default.aspx>)

SUMMARY OF ARTICLE

		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas			✓		
4.	Timelines		✓			
5.	Sufficient information to support the assertions made & conclusion drawn	✓				
6.	Quality of writing(Organization, Clarity, Accuracy Grammer)			✓		
7.	References & Citation(Up-to-date, Appropriate Sufficient)		✓			

Future Research Suggestions

This Article can expand further research for MINOR/MAJOR Research Project at UGC
