ARTICLE REVIEW REPORT

Impact Of Emotional Intelligence On Career Decision Making -self - Efficacy Of Adolescents.

Nitin Kumar Sharma¹ and Prof. S. K. Paul²

ABSTRACT:

The problem statement was clear and well articulated. The purpose of this study was to examine the impact of Emotional Intelligence on Career Decision Making Self Efficacy of High school students. The sample consisted of 800 High school students (Male 400 and Female 400) randomly selected. Final sample consisted of boys and girls of high and low Emotional Intelligence. Two hypotheses were formulated.

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation. We are living in a world of scientific development in which different specializations in varied fields are being undertaken resulting in a number of branches in different vocations. Every day birth of a new occupation comes into our knowledge. Earlier there were a few careers and basically those careers were related to vocations done by the ancestors. In short it can be said that down the age's career choice had very limited scope. But the scenario has changed.

METHODOLOGY:

Author has not mentioned any specific methodology. This study was descriptive in nature. Must add methodology in your article. Methodology used to per research topic.

PRESENTATION OF RESULTS:

The amount of data presented was sufficient and appropriate. Tables, graphs, or figures were used judiciously and agree with the text. There is no impact of Emotional Intelligence on CDMSE of adolescents. There are no gender differences in CDMSE of High and Low Emotional Intelligence Groups.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The study was relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study was worth doing.

FUTURE RESEARCH SCOPE:

1. Career For Faculty (<http://academicprofile.org/Professor/CareerForFaculty.aspx>)
2. Academic Plan (<http://academicprofile.org/Professor/AcademicPlan.aspx>)
3. Regarding Professor Promotion (<http://academicprofile.org/Professor/regardingPromotion.aspx>)
4. Fellowship for Post Doctoral (<http://academicprofile.org/Professor/FellowshipForPD.aspx>)
5. Online Course on Research (<http://onlineresearch.in/Default.aspx>)

SUMMARY OF ARTICLE

		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers		✓			
2.	Originally & Novelty of the ideas			✓		
3.	Importance of the proposed ideas	✓				
4.	Timelines			✓		
5.	Sufficient information to support the assertions made & conclusion drawn		✓			
6.	Quality of writing(Organization, Clarity, Accuracy Grammer)			✓		
7.	References & Citation(Up-to-date, Appropriate Sufficient)		✓			

Future Research Suggestions

This Article can expand further research for MINOR/MAJOR Research Project at UGC
