A. D. Naik

#### ABSTRACT

Two different but complementary paradigms of development, namely human development and sustainable development, have profoundly influenced the development policy in the last three decades. Both the paradigms of development have been accepted globally through international efforts. However, there is absence of an integrated approach of the two development paradigms.

### Introduction

Due to steep rise in human population and environmental degradation, there is discordance between human needs and ecological supply. This gap may create widespread havoc for sustenance of present human wellbeing. At the policy level, over the last few decades.

#### **A Good Introduction :-**

*Depict the significance (importance) of the study - why was this value doing in any case? Give a wide connection. Extremely briefly depict the exploratory configuration and how it achieved the expressed destinations.*

### Materials

Must add methods and materials in your article.

#### **A Good Materials :-**

*Methods & Materials used to per research topic.*

### Result

Must add result in your article.

#### **A Good Result :-**

*Results are as per aims and objective and useful to further research.*

### Conclusion

Sustainable Human Development is the expansion of the substantive freedoms of people today while making reasonable efforts to avoid seriously compromising those of future generations. Sustainable human development with the framework of SDGs is the approach through which societies can implement win – win solutions that favour sustainability and human development.

#### **A Good Conclusion :-**

*Choose if the trial outline satisfactorily tended to the speculation, and whether it was legitimately controlled. Attempt to offer option clarifications if sensible options exist.*

### REVIEWER COMMENTS

- My remarks here are concerned singularly with the association of the composition.
- Thought of these focuses will, I accept, lead to an enhanced report that better shows the key ideas and conclusions.
- Generally, this is a reasonable, brief, and elegantly composed original copy.
- The presentation is pertinent and hypothesis based.
