ABSTRACT

In modern democratic system, there became a great change in the structure of the elites. In a democratic system the legislator constitute the key elite of the society. 'It is a small minority who plays an exceptionally important role in the political and socio-economic affairs of the state. Caste is one of the important factors in Indian politics. Normally the elites represent the high class or progressive group. Politics is related to the process of power partnership. So it becomes necessary to study the elite class.

REVIEWER COMMENTS

- My remarks here are concerned singularly with the association of the composition.
- Thought of these focuses will, I accept, lead to an enhanced report that better shows the key ideas and conclusions.
- Generally, this is a reasonable, brief, and elegantly composed original copy.
- The presentation is pertinent and hypothesis based.
